

It takes a local to prepare a unforgettable itinerary of what to see and do during your visit to one of New Zealand's Taonga. Awesome Charter's team has that knowledge so answer these three questions and then let us design the experience of a lifetime for you.

- How long do you have available for your visit?
- How many people are coming (including children)?
- What are your key interest areas? List everything you would like to achieve from sun bathing to tramping, diving and fishing etc.
